

## 2026-2027 Request for Waiver of Parental Information

To be considered for need-based institutional financial aid, a student must submit financial information from **both** biological or adoptive parents. However, the Office of Financial Aid recognizes that extenuating circumstances in some cases may make it impossible to obtain information from both parents.

By completing this form, you are requesting a waiver of information from one or both parents because you are unable to obtain information due to estrangement.

**Parent waivers are not granted in the case of:**

- Your parents' unwillingness to provide financial information or unwillingness to pay for your college expenses
- Your total financial self-sufficiency
- The fact that you are not claimed as a dependent on your parents' tax returns

**Situations that might permit parent(s) waiver include but are not limited to:**

- Abandonment by your parents
- Incarcerated or institutionalized parents
- An abusive family home that forced you to move from your parents' residence

### Student Information
