International students - How to make a payment using Western Union
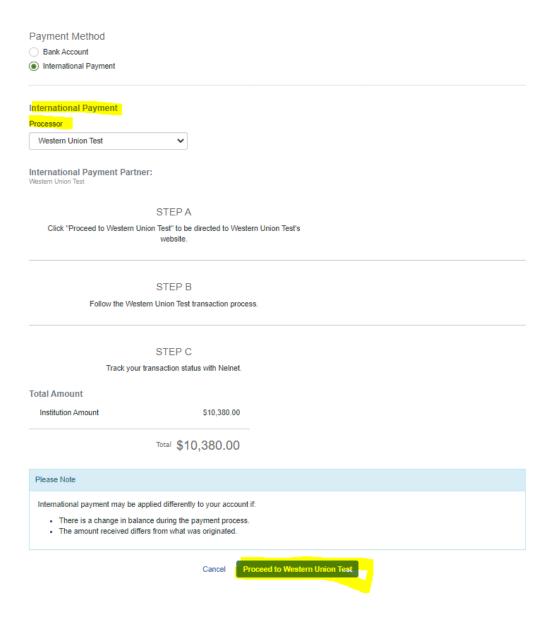

Weill Medical College of Cornell University and Western Union Business Solutions have partnered through NelNet to provide a convenient way for you to make payments for your tuition and other fees. Once logged in to Nelnet through LEARN and selecting Western Union as your payment choice, you will be directed to WU GlobalPay for students.

How to initiate a Foreign Currency Payment:

1. Log into LEARN and under the Financial Aid & Billing tab, select View Student Account

2. Select make a payment.

3. Select Accounts to Pay, and Next – Payment Method

4. Select the International Payment radio Button and select Western Union from the dropdown.
